The History of Pine Ridge and the Sport of Soccer

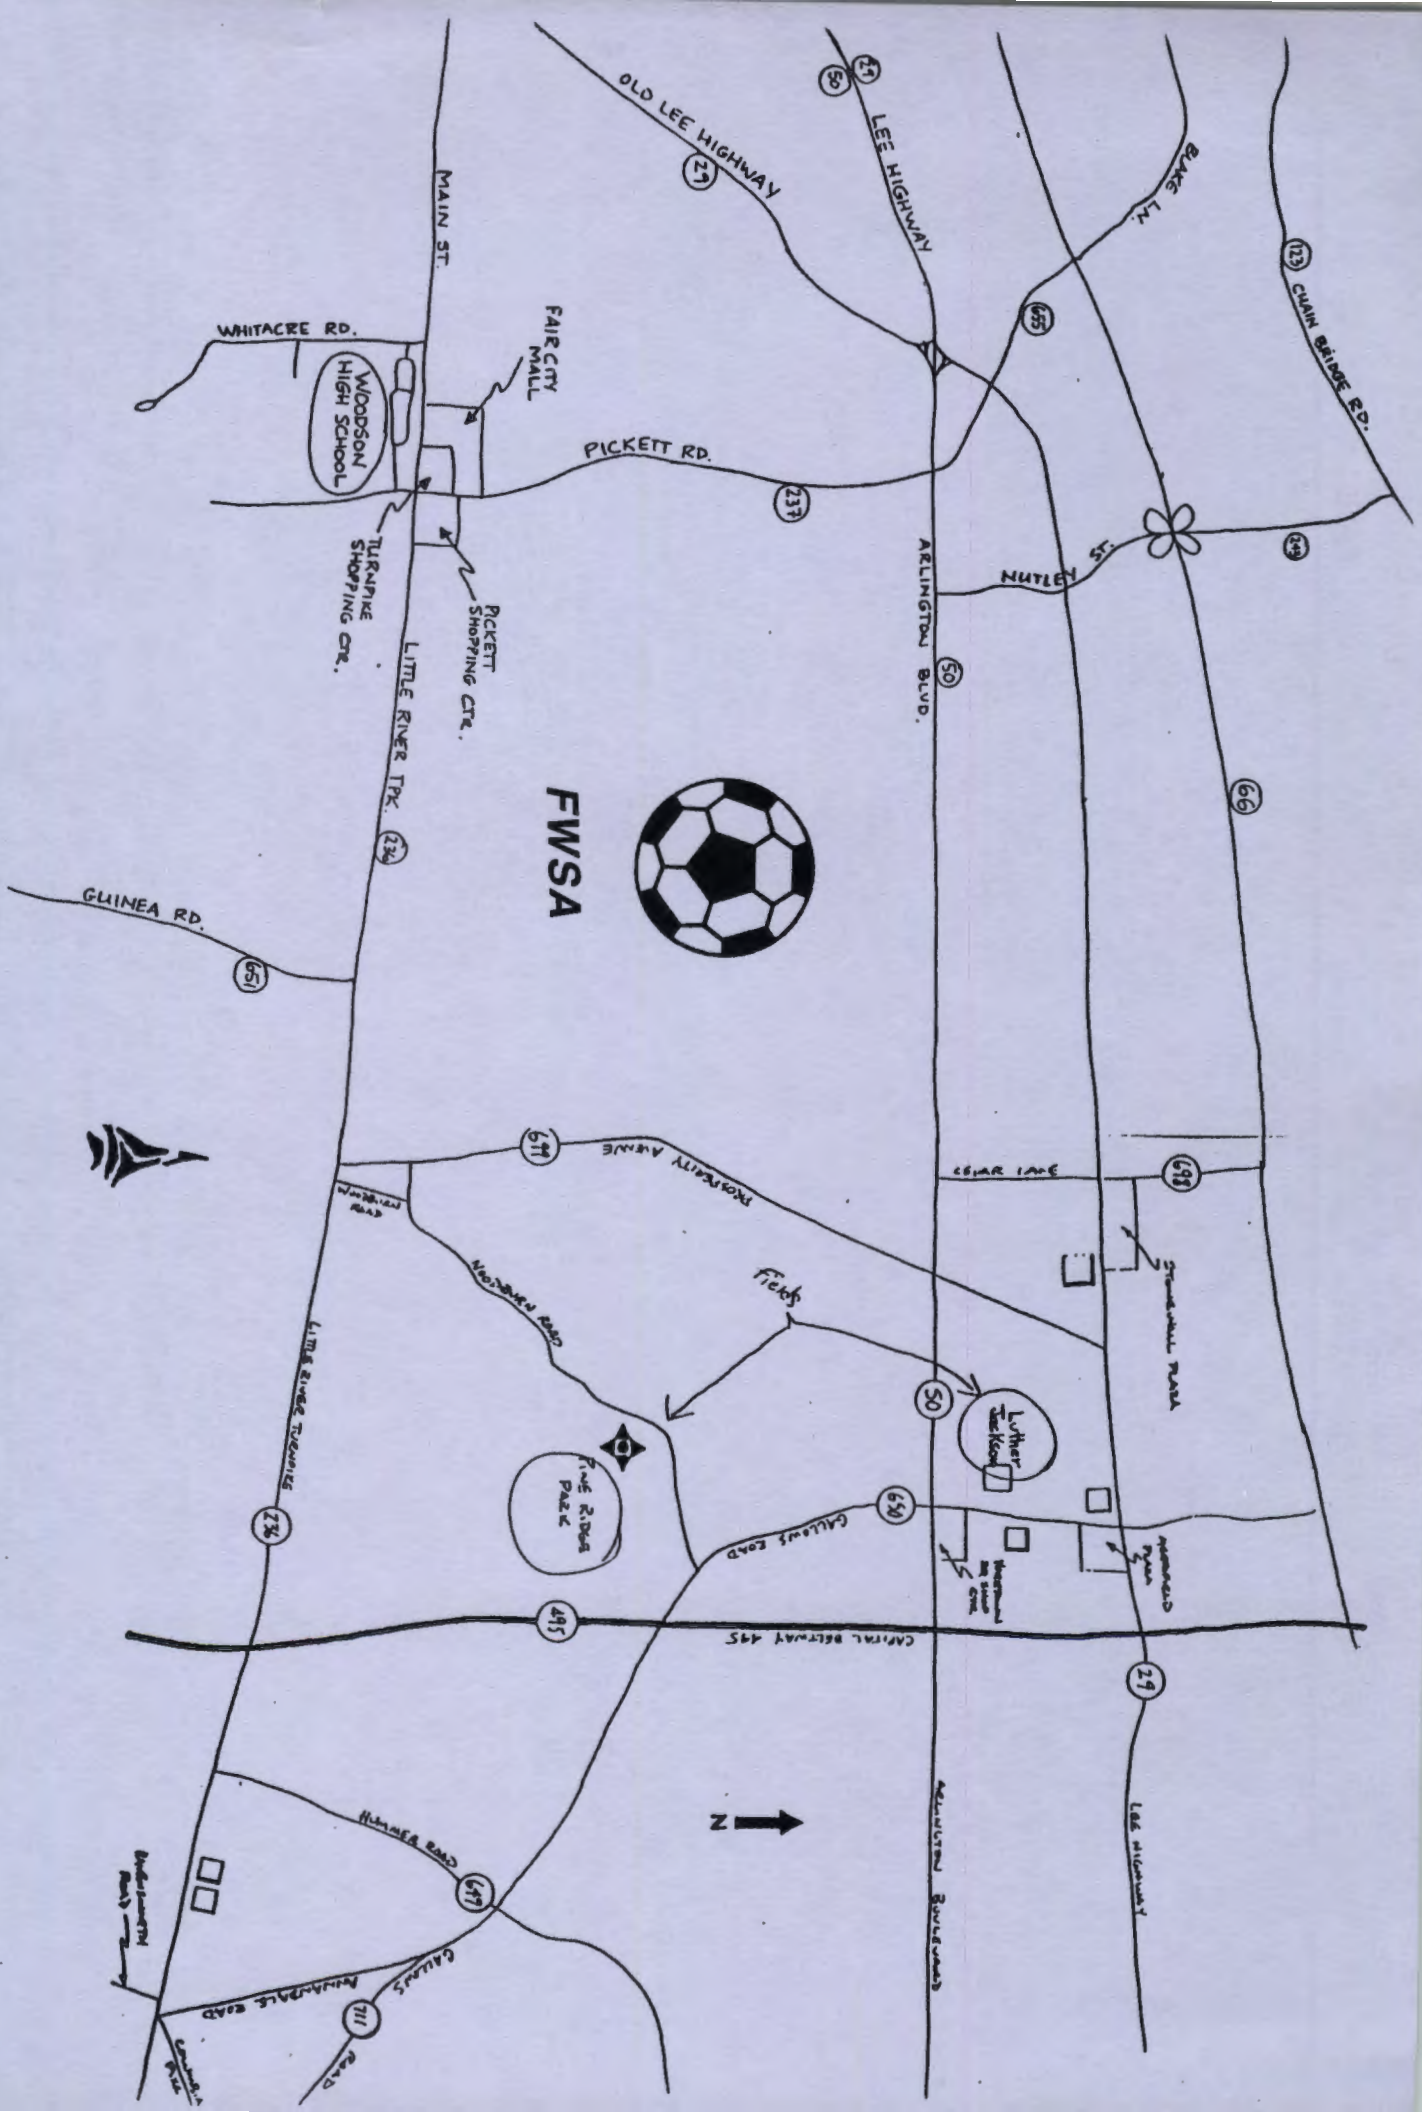

FWSA, which was originally founded by Lynn Gaaserud in 1976, grew from four teams the first season to twenty eight teams by the time of the first FWSA Tournament in 1981, which was held at Lewinsville Park in Mc Lean. Ruth Walton, the Head Commissioner from 1980 to 1981 instituted the first tournament and also started the over-30 league during her tenure. When the Fairfax County Park Authority held a planning meeting to address the issue of what should be done at the unused Pine Ridge High School site on Woodburn Road, which had been turned over to the Park Authority, Ruth attended and requested that soccer fields be built at the site. The county subsequently allotted the site to construction of three soccer fields and three Little League fields; however, there was a little catch - there were no County funds allotted to the project at that time, so interested parties would have to provide private funds, manpower and womenpower, AND SO THEY DID!

For nine years Ruth spearheaded an effort to complete the fields. The services of the U.S. Naval Reserve 23rd Battalion were enlisted to help in the grading of the site. FWSA, the Annandale National Little League and the Northern Virginia Men's Soccer League held raffles and fundraisers. Many "Rock Parties" were held: i.e. rock digging parties! Early FWSA Field Development volunteers included Laura Szwak, Jeannie Markynas, Carol Mc Gee, Gail Kimbel, Nene Everling, Fred Devers, Andrea Groover, Marge Reeder, Susan Williams, Nancy Brazinski, Nancy Hoffman, Diana Law, Laura Carver and Nora Gabaldon, along with the whole Zephyr soccer team. Seeding in 1984, 85, and 86 was lost to drought and vandalism (vehicles on the site). Finally, the County stepped in with funding and other help. The fences and irrigation systems were installed. The parking lot was built by our friends at the Public Works Department in exchange for use of the site in the fall for leaf mulching. The Department of Recreation and Community Services provided the soccer goal posts along with a great deal of other support. Local businesses who helped out included William A. Hazel Co., Southern States, Quarles Petroleum, Mobil Oil, and Stanley Martin Builders.

Finally, in October of 1989, the fields were ready for play. With Shelly Chapple as Head Commissioner and Virginia De Paris as Tournament Chair, the first Pine Ridge Soccer Tournament was held on October 14th and 15th along with opening day ceremonies. The Park Authority unveiled the sign at field No. 1, naming the field in honor of Ruth T. Walton who volunteered so much time to the effort. No, Ruth is not dead. She's alive and still kicking or trying to, playing on Motley Crew in the over-30 league and Wildcats in the over-40 league.

In 1980 it was estimated that construction of each soccer field would cost \$3,750. By the time the project was completed, FWSA had spent close to \$ 20,000 and the total value of the project was estimated at \$300,000. All the donations of in-kind services and manual labor along with support from Fairfax County, has created three wonderful fields. So remember this history as you enjoy a terrific tournament at the Pine Ridge Soccer Fields!

She lay face down in a puddle of wet earthen matter, enduring

“Get off me,

the weight of the entire opposing defense on her back, the ugly

you’re getting

outcome of a successful corner kick that ricocheted off her

stains all over

sweaty forehead and just beyond the outstretched fingertips of

my Eiger shirt.”

the keeper. Although feeling jubilant, she angrily bellowed out

We only do soccer

and we do it well.
